ANARTS meeting

There will be an ANARTS general meeting on Friday 5th August at 7.30 pm. For details please contact Col VK2CTD President on 624-3989, or Jim VK2BQS Vice-President on 6313560, or Pat VK2JPA Secretary on 230 3722 (wk).

Come along to our very friendly and informal meetings, they usually develop into interesting discussions, with tea or coffee and biscuits or better. Perhaps this quieter side of digital activities is for you, with the emphasis on HF digital modes, without the hurry scurry of 2 metre packet. We cover the range, right up to the latest which at time of writing is G-TOR. Who knows what the flavour will be next month?

Hope to see you there.
